Oakville, ON – [N2 Ingredients](#) is honoured to be named on the [22nd annual PROFIT 100 ranking of Canada's Fastest-Growing Companies](#) by [PROFIT Magazine](#). Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 100 profiles the country's most successful growth companies. Published in the June issue of PROFIT and online at PROFIT100.com, the PROFIT 100 is Canada's largest annual celebration of entrepreneurial achievement. "We're proud of our entrepreneurial drive," says [Bob Crane](#), president, N2 Ingredients. "To be recognized by PROFIT Magazine for our success feels great."

"Canada's Fastest-Growing Companies are the poster children for entrepreneurship, innovation and pure tenacity," says Ian Portsmouth, editor of PROFIT. "They demonstrate what it takes to succeed in today's highly competitive, technology-driven global economy." Crane agrees, "Natural and nutritional foods continue to be a fast-changing, growth market. N2 Ingredients' success stems from our flexibility to react quickly to the market and help our customers be on the forefront of demand."

Launching [ALTERNA](#) is an example of N2 Ingredients ability to meet growing market demand. ALTERNA, a gluten-free alternative to wheat and other gluten-containing flours and grains replaces flour in traditional bakery and other food products. "ALTERNA offers a competitive edge and commercial marketability. Gluten-free products are significantly on the rise," explains Crane, "So entrepreneurship, innovation, and tenacity –PROFIT Magazine's criteria for achievement well -describes how we are doing business every day." N2 Ingredients R&D team develops in-house customized formulations that give food manufacturers limited by conventional processing, a new profitable product line-extension.

"We're going to enjoy our ranking as one of the PROFIT 100 Fastest-Growing Companies in Canada," adds Crane. "It's a great motivator for me and my team to continue leading the way in Canada's natural and organic food market."
